

# HOW TO CREATE YOUR THANKSGIVING TURKEY!

## 1. Print the Turkey Base

1. Option 1: Color version (page 2)
2. Option 2: Black & White version (page 3)

## 2. Print the Feathers

Each turkey needs 6-10 feathers.

### 1. Blank Feathers (page 4):

1. Print on colored paper for students to make their own colorful turkeys.
2. Print on regular paper for students to color and decorate.

### 2. "Thankful For" Feathers (page 5):

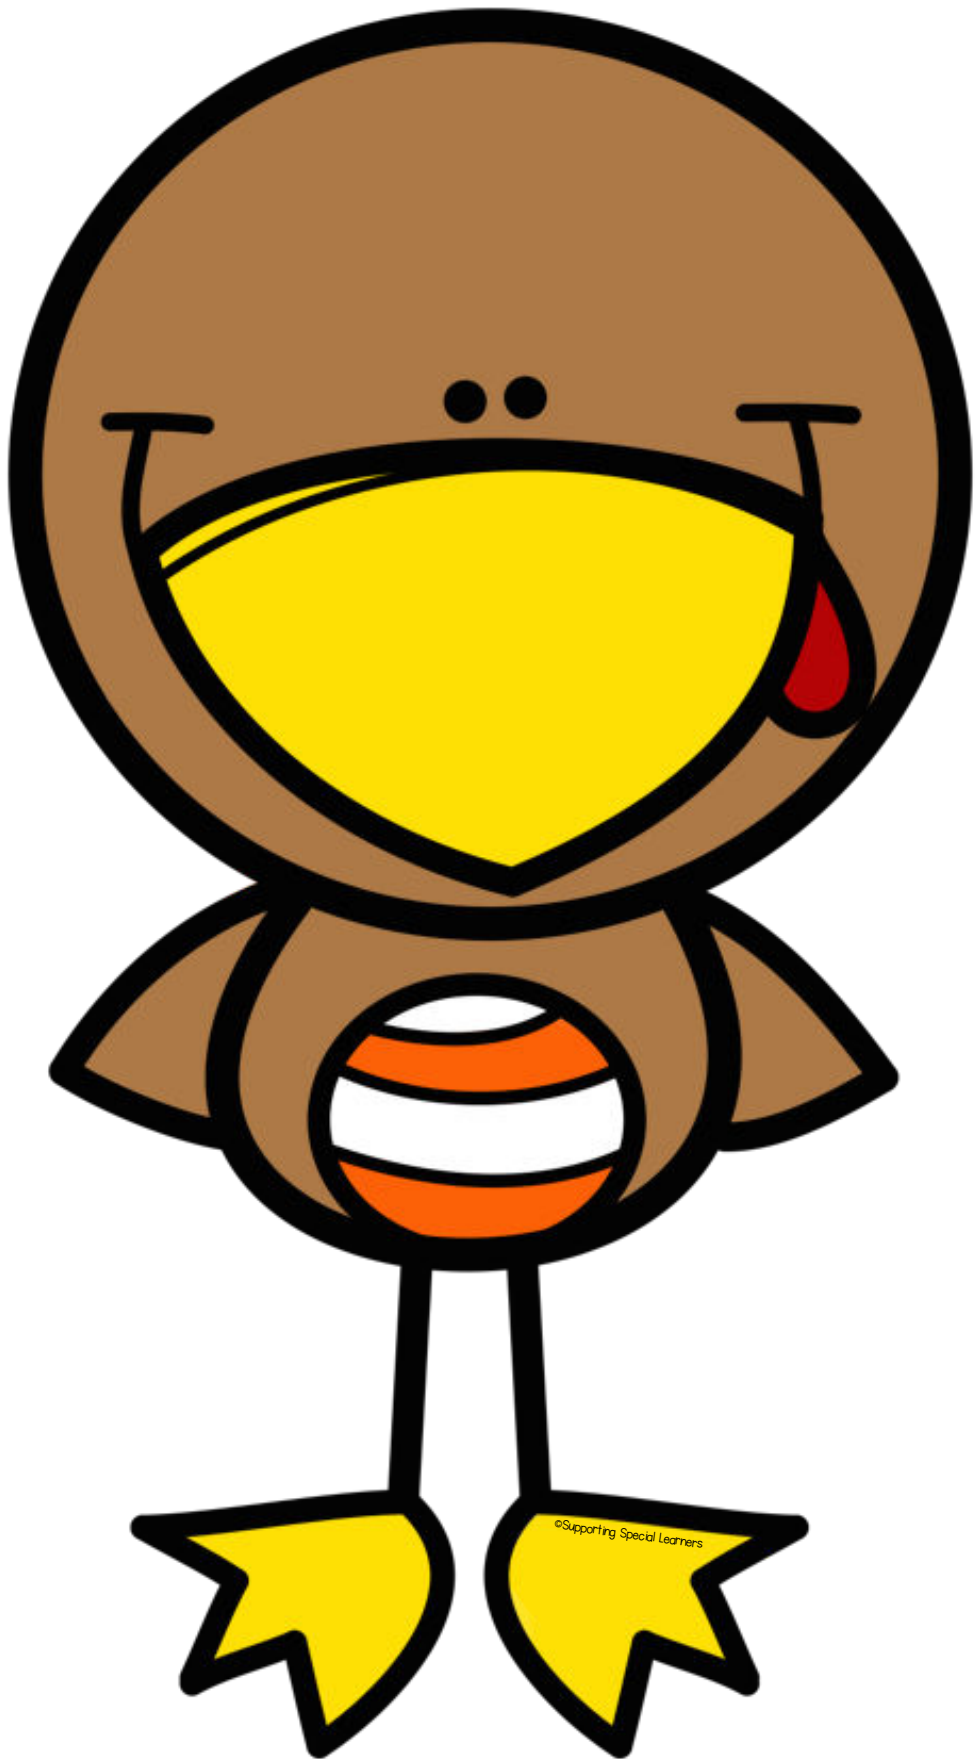

1. Students can draw or write what they are thankful for.
2. Option to use provided images/words to glue on feathers (page 7).

### 3. "Thankful For" Feathers with Lines (page 6):

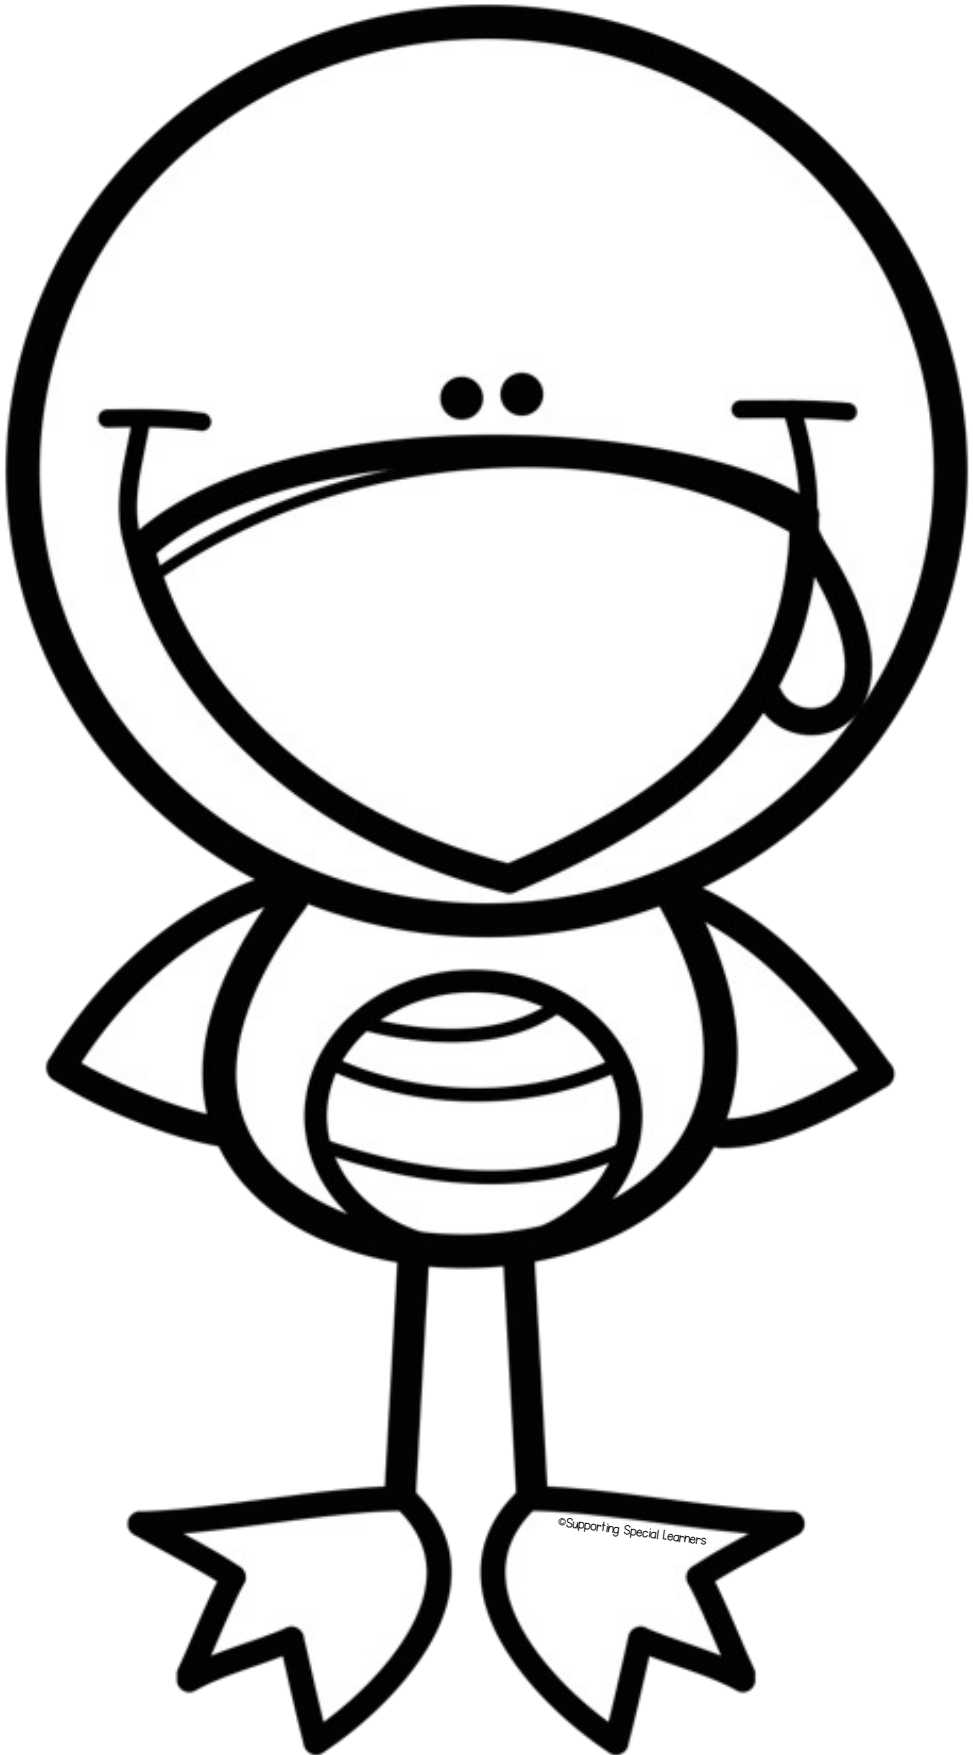

1. Students write what they are thankful for and decorate.

## Assembly Options

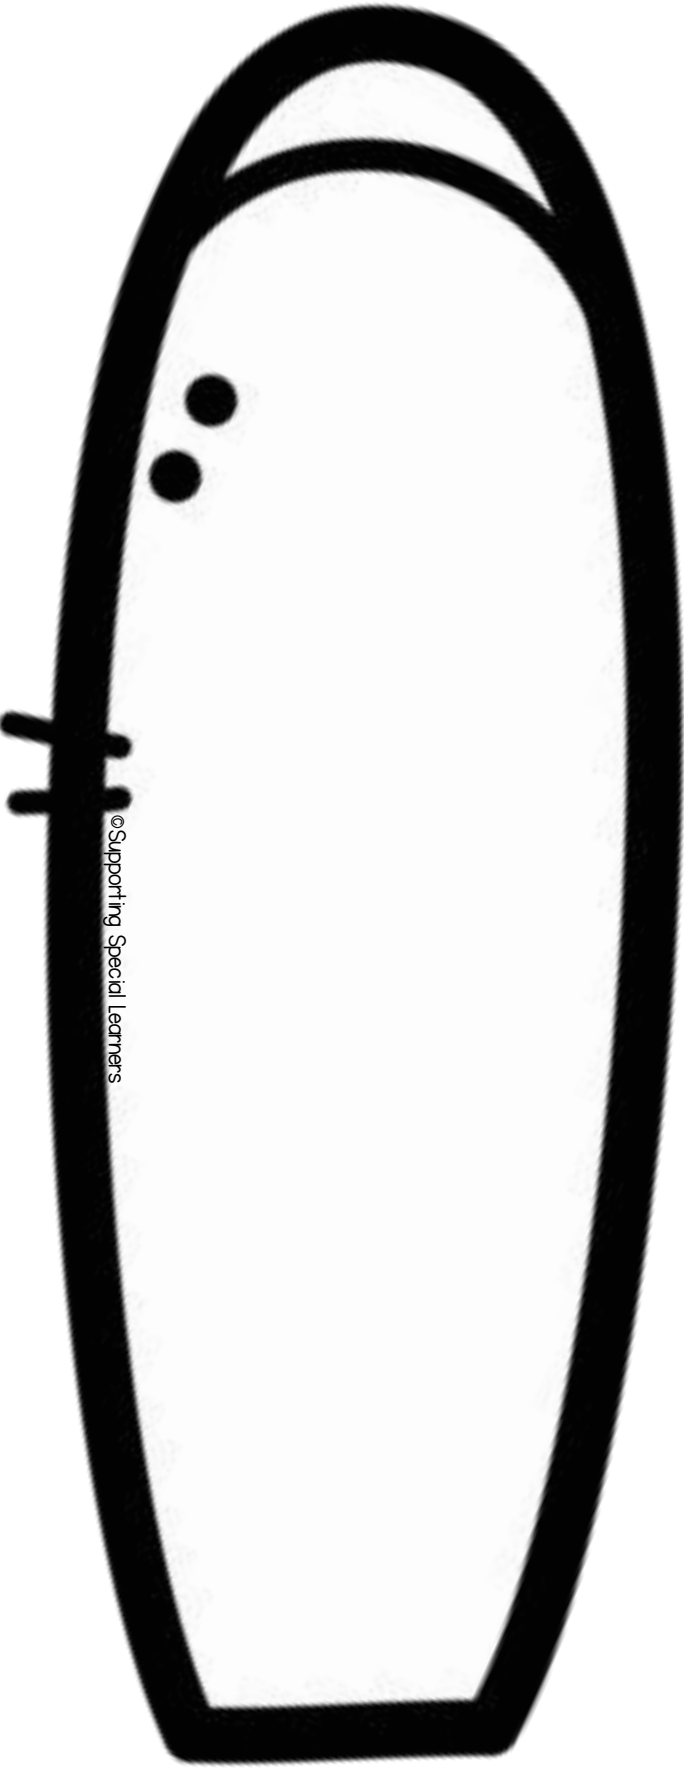

- Complete the turkey craft individually for each student.
- Alternatively, create a class display by combining everyone's turkey's feathers into one group project.
